Volunteers: None

Comments: Not as many people as last year. However, the free lunch provided was good with good variety. Jerry was actually more attached to the event management staff than BBR.
 We checked into the Morning Net on 145.230 (Pink was Net Control).

Suggestions: Our location was somewhat out of the main stream due to the layout.
 That may have resulted in fewer people seeing our display.

Went Well: This is worth supporting each year!
