75						Boating			

**Volunteers:**

**Comments:** FRS radios were used by the staff and the Medical Explorers. FRS radio traffic went better than we expected since there were 40 FRS radios being used.  
The "New" Mobile radio from FiSH worked well (now in the stack).

**Suggestions:** Provide signs with the word "Tickets" pointing to the ticket entrance at the two auto access points on Oak. Also some speakers for the PA system need to be added near the Volunteer tent and probably at the Pasteur end of the area.

**Went Well:** Parade of cars went well... Nearly on time this year and ended by 1530.

**Lessons Learned:** Next year, have people who have bikes bring them for patrolling the fences on Stock Farm and Farm Hill.
