Volunteers: Rudy Ress, K6RDY, Tim Minnis, WB6HYD, Rudy Bahr, W6OWI, Mark Gilkey, KI6BQC

Carroll Kerns, KG6YPH, Dona Kerns, KI6DAR, Jamil Shaikh, KG6VYP

Comments: SPECS repeater 145.270 - 100.0 had significant static during the event, so we switched to MV simplex, 146.535. Everything else went well.

Suggestions:
 1.0 Have alternate Repeater and Simplex frequencies set up ahead of time
 2.0 Instruct walkers/runners, that if they come with others and get separated, set up ahead of time an arrangement that they can get in touch with one another. They should also report to a radio operator that they are leaving early if they do.

Went Well: Generally all went well. Kudos to Mark Gilkey for extra effort with his bike!

Lessons Learned: See Suggestions above.
